

Pray every day for native missionaries doing the work of God's kingdom around the world. Repeat for each week of the month.

Sunday - PERU, South America

Has your mom or dad ever read you a bedtime story? Some Christians in Peru are reading Bible stories to children as part of their "Breakfast and Bible Stories" ministry. Every Sunday morning unchurched children from poor neighborhoods enjoy a nutritious meal, probably their best meal of the day, and then hear Bible stories about Jesus. This creates wonderful memories of being loved by Christians. Pray that many children (and parents) will come to know the Savior. Send \$3 to feed a kid breakfast each Sunday for a month. Gift Code: 245NLEM-03

Monday - JORDAN, Middle East

Do you realize that when you read the Bible you have an opportunity to have God speak to you personally? Sadly, some elderly believers who love God's Word can no longer read it because the print is too small for their older eyes. Gospel workers with **Bibles for Jordan** want to print 12,000 large print Bibles in Arabic and offer this treasured book to the elderly believers for only half the cost. (\$4 each) Gift Code: 420BFJ-03

Tuesday - INDIA, South Asia

If you wanted to eat a thousand of something what could it be? Did you think about rice? Loving believers need more rice to fill the tummies of needy children in their children's home. On two acres of paddy land they can grow enough rice for everyone. Pray that God will provide \$7000 needed to buy the land. Every gift helps, even \$7. Gift Code: 630SEF-03

Wednesday - CONGO BRAZZAVILLE, Africa

Does this girl with a sweet smile look like someone you would like as a playmate? Today Eliza is a happy child who knows she is loved, but her life did not start out well. The police found Eliza in a place where a baby should never be - in a garbage bag on the street - and brought her to a Christian orphanage supported by Christian Aid. Because Christians care about other people and give to provide for their needs, Eliza now has a happy home and hope for a blessed future. Gift Code: 564BFC-03

Thursday - HAITI, Caribbean Sea

The powerful earthquake on January 12th focused our attention on one of the poorest nations on earth, Haiti. Many Haitians were injured and thousands more left homeless. Christian Aid wants to help Christian ministries rebuild and resume their vital work. Pray for indigenous Haitian missions and consider a gift to help them. Gift Code: 120DIS-03

Friday - PHILIPPINES, Southeast Asia

Do you know that Hawaii is not a single island? Find it on the map and you will see. Groups of islands are called archipelagos. The Philippines is also an archipelago and you can locate it on a map east of Vietnam. The people of Mindanao, the southeastern most island, are mostly Muslim and resistant to Christian teaching. But that has not discouraged believers from preaching the gospel with words and kind deeds. They are planning a free medical and dental clinic to help the needy and show God's love. Gift Code: 801PPM-03

Saturday - CAMEROON, Africa

What breaks your heart? When Francois, the leader of **Christ Our Life Ministries**, took the gospel to Bekomo Island, he found hundreds of children but no schools. It broke his heart to know they would grow up illiterate, and without hope for a future. Francois sent four Christian teachers to the island. Now 300 eager children sit on the dirt floor of a church learning to read and write. (Pray for school desks-\$20 each). Gift Code: 558CLM-03
